Tom, yes I would like to reschedule a tour of Crawford Street.
To all on the list, are you still interested in attending a site tour?
Are there any times that do not work for someone.
Thanks Jim Orr

DEQ and EPA requests that we tour the bank area of the Crawford Street Site.

It would be a quick tour with one hour scheduled onsite.

Mat and Ross, If this is acceptable, then I would request that our afternoon appointment be postponed to a 1:30 start time.

Tom and Marcus: Is there any requirement for a liability waiver for visitors to the site?

Please call me to discuss, if necessary.
